DEAR WILBERFORCE CAMPUS COMMUNITY MEMBER...

Crime is everyone's problem not just the Campus Police or other local police agencies. We as a community should work together to eliminate crime and make our campus a safe and secure learning environment.

The purpose of this report is to inform you of the safety programs available to you, the crimes that are reported to our Campus Police and safety measures to make Wilberforce University the safest campus community within the region. This report is also provided as part of Wilberforce's commitment to safety and security on campus and is in compliance with the Federal Crime Awareness and Campus Security Act of 1990, and subsequent amendments that led to its being renamed the Jeanne Clery Act in 1998.

We in the Campus Police Department need your help to make our campus safe and secure. It takes all of us to get the job done. We as a department can detect, investigate and make arrests. However, prevention is the best method to suppress crime. Please do your part in preventing crime by securing your property and reporting suspicious and unlawful behavior immediately to the Campus Police Department. Your efforts in conjunction with ours will help us all. Remember See it! Hear it! Report it!

Sincerely

Dr. David I. Fox, D.Min.
Chief of Police

Reporting Crimes and Other Emergencies

Encourage Prompt and Accurate Reporting of Crimes

The WUPD encourages anyone with knowledge of a crime on of campus to report it. In order to maximize safety on campus and assist in prompt investigations, we ask that you report to the WU Police Department any incident that may qualify as homicide, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson and any hate crime involving bodily injury for inclusion in the Annual Campus Security Report.

Reporting On Campus Crimes and Other Emergencies

To maximize safety on campus, the WU Campus Police Department strongly encourages anyone with knowledge about any crime, suspicious activity, or unsafe action or conditions on campus (either as a witness or as a victim) to make an immediate report to the WU Campus Police in person or by telephone. Reporting does not mean you must take legal action—it may, however, help police officers stop further incidents as well as help them keep the community informed about criminal activity.

Reports can be filed at the WU Campus Police Department located in the basement of the Wolfe Administration Building. To make a report by phone, call 5451 and describe the situation to the Residential Life Monitor, who will dispatch an officer. In emergencies, including fires, call 911. WU students requiring non-emergency medical care may contact the Student Health Center at 5506. Students seeking counseling services my contact the Counseling Center at 5638, 5604 or 6019 or the crisis hotline at 376-8702.

If you are uncomfortable making a crime report to WU Police but would like to help ensure the most accurate accounting of all criminal incidents on or around campus, we encourage you to report the criminal incident to one of the Wilberforce University campus authorities.

Time Warnings

The Chief of Police will advise members of the campus community on a timely basis about a significant emergency or dangerous situation involving the immediate threat to the health and safety of the campus community. These efforts include the following: the student newspaper, special alerts, memos, posting physical signs, and University web site.

Campus Law Enforcement

Enforcement Authority

The Wilberforce University Campus Police Department became a law enforcement agency in May 1991 by action of the Wilberforce University Board of Trustees. All officers have received the required hours of basic training and are certified by the State of Ohio Peace Officers Training Council. Officers are armed and are required to complete annual firearm qualification. Each officer is vested with the same powers and authority that are vested in a police officer of a municipal corporation or a county sheriff under Title [29] of the Revised Code. They have the power to arrest and bring before the proper court persons violating the law on University property. WU Campus Police also have a mutual aid agreement with the Greene County Prosecutor's office to assist other jurisdictional police within Greene County.

Building and Grounds Security

Introduction

Wilberforce University is committed to providing the members of the campus community and visitors with the safest and most secure environment possible. However, even the most extensive initiatives cannot succeed without the awareness and cooperation of the community members who work, study and live on campus.

Residence Halls

Wilberforce University is a residential institution, providing a variety of on campus housing facilities for students. There are 6 residence halls and a small group-housing complex. The 6 residence halls consist of two male dormitories, two female dormitories, one co-ed honors dormitory, and one co-ed dormitory. Entry is attainable through an open foyer. Inside entrances are locked and residents have unlimited access with an ID/Facility card which activates the lock to enter the building, except the co-ed dormitory where a key is used. WU Campus Police and the Residence Life Staff provide information on safety and security within the living environment. Safety and security policies and procedures regarding locking rooms, building entrances and related precautions are discussed with residents in routine floor meetings and imprinted materials, which are posted and distributed by staff. Residence Life Staff are required to report criminal actions, suspicious activities, emergencies and other incidents to the WU Police. Students are encourage to carry their room key. More information is available in the Residence Life Guide.

Emergency Phones

Blue Light and Talk A Phones

There are two types of phones on campus (Blue Light and Talk A Phones), all of which are connected to the 911 system. Simply push the “call” button and you will be connected to a 9-1-1 operator.

There are 8 Blue Light Phones that covers the campus. 6 phones are mounted in stainless steel wall-mount housings and topped by a blue light which goes on after dark. The phones are located outside Walker, Stokes, Wellness Center, Alumni Multiplex, and Bookstore. The remaining 2 phones are Blue Light Phones mounted on a solar/cellular design pole with blue light on top. One is located at Timken Court housing complex and the other at “The Fountain” pathway.

Emergency Talk A Phones are located in corridors of the six dormitories. Dormitory elevators are also equipped with emergency phones.

Emergency Notification

The University has partnered with Christopher Technologies to employ “Account4Me” an alert emergency notification system. Registration in Account4Me is mandatory. Account4Me can alert faculty, staff, and students via Text, SMS, Voice Mail, and Email. The system can also translate text-to-speech and send/receive messages like a phone call. Registration is available at <https://wu.acct4me.com>.

- Keep your purse, wallet, keys, or other valuable items with you at all times.
- Always let someone know where you will be. Mark personal items with your name or initials and an identification number.
- Always lock your car and roll the windows up all the way.
- Never give anyone your bank account number, social security number, or other personal information that is not absolutely needed to complete a transaction.

Reducing Crime and Improving Campus Community Life

Investigation/Crime Prevention

As WU Campus Police officers receive basic training in criminal investigative techniques. They are authorized to take written complaints and investigate all violations of state laws or University regulations. Reports may be filed at the WU Campus Police office or by contacting any of the officers. Reports relative to some incidents may also be taken by the members of the Student Affairs staff.

All reports are thoroughly investigated, reviewed and finalized. Incidents involving infraction of state laws are adjudicated through the court and may involve arrest. Students who violate University policies and procedures will be referred to the Dean of Students. A Student Judiciary Hearing Board will hear matters concerning student violations. Arrest for any infraction of state or local statutes does not preclude independent action taken by the hearing board.

Crime Prevention

As part of the university’s educational mission, the WU Campus Police attempts to inform members of the campus community of ways in which they can reduce their chances of suffering from a violation of their property or themselves. The department’s crime prevention program is based upon the concept of eliminating or minimizing criminal opportunities, whenever possible, and encouraging students and employees to be responsible for their own security and the security of others.

An officer in the WU Campus Police is designated as the Crime Prevention Officer. This officer assists with the coordination of crime prevention activities and the distribution of materials related to crime awareness.

The Crime Prevention Officer directs the following prevention programs and projects:

New Student Orientation: Presentations on safety and security measures are given to new students and their parents.

Residence Hall: Presentations and workshops, brochures, and other printed material are made available on a regular basis to students.

Crime Prevention Presentations: A number of crime prevention presentations are made throughout the year to recognized student organizations.

Operation ID: The engraving of serial number of owners or recognized numbers on items of value is free of charge.

Workshops and Seminars: A number of workshops and seminars are presented on sexual assault awareness, women's self-defense, violence prevention, drug prevention, and underage drinking.

Physical Plant Services and Campus Security

Physical Plant Services maintains the University buildings and grounds with concern for safety and security. Campus buildings and grounds are inspected regularly and repairs of potential hazards are made. Officers of the WU Campus Police assist by reporting any non-functioning lights or doors or other hazards which affects safety and security.

Students residing on campus should report needed repairs to the secretary of the Director of Residence Life located in Henderson Hall, so that any repair can be entered into the work request system. Students should also mention the needed repairs to the Resident Assistant. If an emergency occurs after normal working hours, students are then to notify their Resident Director

Staff and students are encouraged to contact the Physical Plant office at 5755 to report potential safety and security hazards in any University building or on the grounds, parking lots, and roads.

Counselor information about crime Reporting

The University recognizes that the college years are times of transition and growth for students. Therefore, free counseling services are available upon request or referral. Services are provided by a trained counseling staff and all information divulged is confidential, unless the staff deems that you are a threat to yourself or the community. The services provided range from attempts to help students define realistic goals and explore available options, referrals to counseling or social service agencies and provision of in-service training for the University community. See the Counseling Services Brochure available from the Academic Center for Student Success (ACCESS) or the Office of Student Leadership Development and Activities (SDA) for more information.

Under Clery—A Licensed Professional Mental Health Counselor, a chemical dependency program counselor, or a sexual assault victim services program counselor are exempt from the crime reporting requirements, University counselors encourage students to report crimes to the WU Campus Police Department on a voluntary basis.

Drug and Alcohol Policies

Wilberforce University is a community characterized by a sense of purpose, serious study and wholesome recreation. Students are required to be familiar with the rules that regulate their behavior on campus. The University's Code of Student Conduct specifically states that the possession, use, and/or distribution of alcohol and drugs on University property or at University sponsored activities are strictly prohibited. Students violating these policies may be suspended or dismissed from the University. In addition, students may also be subject to risk for violation of county, state and federal laws regarding the use of alcohol and drugs.

- The State of Ohio prohibits the sale to or consumption of any type of alcoholic beverage by any person under the age of twenty-one. This law also prohibits the sale of alcoholic beverages to any person who is intoxicated or appears to be such. Ignorance of the purchaser or consumer is not a defense. A person who misrepresents his/ her age in order to obtain alcohol is subject to a maximum fine of \$1,000.
- Persons in the Greene County area are prohibited from drinking alcoholic beverages in "any street, alley, park, or parking lot, or in any vehicle in or upon the same." The penalty for this violation is a fine plus court costs or imprisonment.
- Wilberforce University is unequivocally opposed to the possession, use and sale of illegal drugs. The University has the responsibility of upholding federal, state and local laws regarding the use of drugs. Students who choose to possess, use or sell illegal drugs subject themselves to both arrest and prosecution and university judicial action.
- Wilberforce University complies with the Federal Drug Free Work Place of 1988: Section 1213 of the Higher Education Act of 1965, as amended, and other federal, state and local laws.

Weapon Possession

The WU Campus Police is committed to protecting the campus community. The unapproved carrying, possession, use, sale, or barter of a gun, knife or other lethal weapon, ammunition or other explosives or creating a threat to persons or property by the misuse of a combustible material is prohibited and subject to University discipline as well as to criminal sanctions. Students who are found with any lethal weapon are immediately dismissed from the University and will be arrested.

Policy on Sexual Misconduct

Wilberforce University will not tolerate sexual assault of any kind. Therefore, any unwelcome sexual advance, request for a sexual favor, obscene phone call, indecent exposure, act of date or courtship violence, sexual harassment, or other sexual misconduct that is against another's will or that substantially interferes with another's academic efforts, employment, participation in university-sponsored programs or activities is a violation of accepted standards of the University.

Sexual offenses on the part of any member of the University community, students, faculty or staff are prohibited and subject to institutional disciplinary action and/or criminal prosecution. The Ohio Revised Code outlines sexual assault to include:

2907.02	Rape
2907.03	Sexual Battery
2907.04	Corruption of a Minor
2907.05	Gross Sexual Imposition
2907.06	Sexual Imposition
2907.07	Importuning
2907.21	Compelling Prostitution, or any unwanted touching or act that is nonconsensual and committed by the by the offender for the purpose of sexual gratification.

These are criminal offenses and are subject to criminal charges in the State of Ohio. The violations of State Law noted above are also violations of the University's Code of Student Conduct and may be adjudicated through the University's judicial system. Certain types of these offenses, including rape and sexual battery, may trigger a mandatory academic dismissal hearing pursuant to Ohio Revised Code 3345.22.

Sexual Assault Program

Wilberforce University recognizes its responsibility of providing educational programs to promote the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses to its students, faculty, staff, and administrators. The WU Campus Police offers educational programs to the faculty, staff and students on topics that include rape, date rape, and violence. For more information call 5701.

Procedures to Follow if a Sex Offense Occurs

If you are a victim of a sexual assault, the University urges you to get support and information immediately by reporting to either the Residence Director, the Campus Police (5451), the Dean of Students (5611), or the WU

Health Center (5706). You can feel confident that any of these University personnel will help and support you through any particular incident. They will advise you about your rights, inform you how to preserve evidence, and discuss your formal and informal complaint options, and ask you to seek medical services through the WU Health Center or the Greene County Hospital Emergency Room. In addition University personnel will assist you in reporting a sexual offense to Campus Police or Greene County Sheriff Department if you so desire. You should note the importance of preserving evidence as may be necessary to the proof of a criminal offense. Students who perceive themselves to be the victims of sexual harassment or abuse and who request a change in their academic or living situation will be accommodated when alternatives are reasonably available.

Preventing Acquaintance Rape

Rape is an act of violence. Many of us believe that rape is a crime committed by strangers in dark alleys, but in fact, most rapes are committed by acquaintances or even dates. While it is never your fault if you are raped, there are some things you can do to decrease your chances of being a victim. Don't accept a date from someone you don't know at all, especially one that would involve being alone with a person before getting to know him. Avoid going to unfamiliar surroundings with someone you don't know very well. And remember, when alcohol and drugs are involved, your chances of being sexually assaulted greatly increase. Use common sense and good judgment; never be overconfident when it comes to your safety. Taking away the opportunity for sexual assault is a big part of protecting yourself. If you choose to protect yourself with weapons, you must accept the risk that the weapons could be used against you.

Men should try to clarify sexual expectations ahead of time. Remember that you are responsible for your actions at all times and being intoxicated is not a legal defense for rape. Don't make assumptions when it comes to sexual contact. Communicate clearly and always get consent. A person has the right to say "no" at any point and to have that respected.

Preventing Drug-Induced Sexual Assaults

Unfortunately, university students nationwide have become victims of drug-induced sexual assaults. A person who has been drugged with Rohypnol, GHB, or Scopolamine may experience drowsiness, dizziness, and disorientation. Speech and motor skills may also be affected, with the drugged individual being unable to remember periods of time as long as ten hours. To protect yourself against drug-induced sexual assault, never leave your drink unattended, only drink from unopened cans or bottles,

only consume drinks you have prepared yourself, and avoid group drinks (e.g. punch). If you think you may have been drugged and sexually assaulted, seek medical treatment as outlined in the “Reporting Sexual Assaults” section.

Reporting Sexual Assaults

If you’ve been sexually assaulted on campus, report the crime to Campus Police or the Dean of Students. If the assault happened off campus, report the incident to the appropriate police jurisdiction (WU police officers will assist you in notifying them if you prefer). Reporting doesn’t mean you must take legal action. You can make that choice later. By reporting the crime, however, you may help to stop a rapist, chances are that he has raped before and will rape again, until apprehended.

If you have been raped, preserve physical evidence that could be useful later. Do not change clothes, bathe, douche, or use the toilet. Do seek medical care immediately, whether or not you report the crime. In addition to taking care of obvious injuries, you need medical care to protect you from sexually transmitted diseases. A physician can also counsel you about the possibility of pregnancy.

If you have been raped and might consider taking legal action against the rapist, you need to receive medical care and have a medical exam at a local emergency room so the evidence of rape can be obtained and preserved for legal action. Without this evidence, the chances for successful prosecution drop. The exam should occur as soon as possible. you should bring a change of clothes, because clothes worn during the assault will be kept as evidence. If you’ve already changed clothes, bring along any articles that may have physical evidence.

Sexual assaults can be reported directly to the following Wilberforce University departments. All reports are treated as confidential and students are entitled to know the various options that are available to them in reporting sexual assault cases.
